

## STONEPOINT SIGNS AGREEMENT WITH SUMMERHILL WINERIES

**Vancouver, BC - January 9, 2006.** StonePoint Global Brands Inc. ("StonePoint" or the "Company") (TSX-V: SPG) is pleased to announce that it has signed a Consulting and Sales Agency Agreement with Summerhill Pyramid Winery of Kelowna, BC, Canada to develop a fully compliant, direct-to-consumer sales and distribution system for Summerhill's wines in the USA. Under the Agreement, StonePoint will utilize its wine industry contacts, on-line strategic experience and regulatory knowledge to implement a unique solutions system. StonePoint Vice President Kenn Visser stated, "We are very excited about the new business partnership with Summerhill and proud to be selected to represent their award winning, certified organic, BC grown, pyramid cellared wines. Their commitment to quality and innovation makes them a natural fit for our unique path to market. StonePoint looks forward to and is confident in the success of this program and to offering a similar program in Asia, Europe and Australia."

### **About StonePoint Global Brands Inc.**

The Company offers an integrated suite of value-added products and services that include: brand development and management, package design, product deployment, manufacturing innovations, logistics and applied quality assurance. StonePoint's products and technologies can be found in several Asian countries and new initiatives in North America and Asia are underway. StonePoint currently trades on the TSX Venture Exchange under the symbol SPG.

### **About Summerhill Winery**

Summerhill Pyramid Winery operates Canada's largest certified organic vineyard, producing world-class sparkling, table, and dessert wines since 1991 in BC's pristine, semi-arid, viticultural region, the Okanagan Valley. Cellared in a four storey replica of Egypt's Great Pyramid, Summerhill has been a consistent top award winner including winner of The Best Sparkling Wine in Canada Trophy as well as a Gold Medal at the Chardonnay du Monde. Summerhill's mission is to craft the purest possible wines in an environmentally sustainable way.
