

## StonePoint Signs Distribution Agreement with Canada's Largest Certified Organic Vineyard

**Vancouver, BC October 10<sup>th</sup>, 2006**

StonePoint Global Brands Inc. ("StonePoint" or the "Company") (TSXV: SPG) is pleased to announce that it has signed a Distribution Agreement with Summerhill Pyramid Winery of Kelowna, BC Canada for the direct-to-customer sales and distribution of Summerhill's wines in the USA. Earlier in 2006, StonePoint was retained by Summerhill to develop a distribution model for the American market. Extensive research and development has resulted in the launching of an exclusive StonePoint service that will give Canadian wineries access to more than 28 states and over 80% of the U.S. population. Summerhill will be the first Canadian winery to utilize this system.

Under the Agreement, StonePoint will integrate Summerhill into its distribution partnership with New Vines Logistics' (Napa Valley, California) regulatory compliant, direct-to-customer sales and fulfillment operations in the USA. StonePoint Vice President Kenn Visser stated, "Because of positive press and tasting experience at Summerhill, US wine consumers have been seeking access to Summerhill's unique wines for many years. We are honored that StonePoint will play a key role in making Summerhill's award-winning wines available to an expanding group of US customers".
